FATHER

Father! To God himself we cannot give a holier name.

"We are Living Stones...on the Palisades"

THE MASTER STORYTELLER

In today's Gospel, Jesus is presented to us as the master storyteller. He loved to use parables as a tool for comparing one thing to something else. In most of his parables, Jesus revealed who God is by comparing God's essence or actions with something familiar to his listeners. In the parable of the mustard seed, Jesus proclaims a marvelous and irrefutable truth. His small band of disciples, as insignificant as they may have felt, would one day produce a mighty kingdom whose growth was initiated by God. The seeds of this kingdom were planted by God and it is God who will harvest the fruit brought forth from those seeds. The extent of the growth of God's kingdom cannot be predicted. We must trust the work of the Master's hand as we, the mustard plant, grow and grow.

TREASURES FROM OUR TRADITION

The reign of God comes about because people commit to reversing their lives completely, to embracing new vision, new values. Many popular television shows exploit an unattractive side of human nature by pitting contestants against one another, even to the point of performing dangerous stunts or devious schemes, to gain money or favor.

At the liturgy, we counter that impulse by committing ourselves to live generously. In response to Christ's total gift, we offer bread and wine as the emblems of our lives, our hopes, our joys and sorrows. The bread and wine carried to the altar contain our lives, and by offering our lives to God, we prepare to receive the gift of God's own life. We are to become what we receive: the body of Christ.

On Sundays, this self-giving is often accompanied by a collection and procession of gifts for the poor and money for the upkeep of the parish. There are certainly other methods of collecting money, some perhaps more efficient. Yet the acts of giving from our abundance and attending to the needs of the poor open us up to participation in the changes the Reign of God requires.

Our Catholic Faith: Comes through Baptism

Please share the news: **The Lord said: "Go out and Baptize all nations, in the Name of the Father and of the Son and of The Holy Spirit."** This is the way our Catholic faith becomes part of us. For anyone interested in becoming Catholic, now is the time to begin learning what we believe. Please encourage family or friends without Baptism to contact the parish so that they might be included in the learning and preparation program for the year ahead.

A CATHOLIC PHILOSOPHY OF LIFE

Four lectures given by Msgr. Richard Liddy, Director of the Center for Catholic Studies at Seton Hall University. The lectures will take place on four Thursdays in the summer at 7 pm; June 28, July 5 and August 2 – and will take place at Stafford Hall at Seton Hall. (Park in the Parking Garage and walk a short distance to Stafford Hall). All of us live by some philosophy, whether we know it or not. These four lectures will present a Catholic vision of life inspired by the work of Bernard Lonergan, S. J. (1904–1984) and his writings on human consciousness. Lonergan was a Canadian Jesuit theologian whose works have had a worldwide influence. Participants will be asked to identify the elements of a Catholic and catholic, that is, wholistic, vision in their own experiences. "The audience I envision for these lectures are the people getting off the train each day from New York City in South Orange and surrounding towns and involved in various professions - business, law, etc. - as well as ordinary folk open to such questions as: Who am I? What are we for? Is there a God? Is there 'grace' that heals and redeems us?" These lectures are open to all. Short readings will be provided for each lecture. For more information, email Msgr. Richard Liddy at liddyric@shu.edu
